The Board chooses a secretary, whose salary will be fixed by the Municipal Conn

With the consolidation of the water City and Staten Island under the super vision of this Board, this department be comes one of the largets under the great n, ent, too, which will grow rapidly h the number of men employed to conduits business.

3 Commissioners \$10,00 Secretary (probably) 4,50 \$18,000 The present New York dock roster pre sents the following details: 18 clerks, etc. | 15 clerks | etc. | \$25,50 | 1 dack superintendent. | 2,50 | 16 dock masters | \$1,500 | 24,00

16 Construction, Repairs and Cleaning cher of water grants and surveying clerks, dranghtsnen and surveying 47 minceliamous workmen, hired by day, week or month. 114,600

Total ..... \$257,480.

The new charter provides for the following marshals, all of whom gain their compensation in fees:

38 marshals in Manhattan and Bronx 15 marshals in Brooklyn. 6 marshals in Queens, 4 marshals in Richmond.

Department of Buildings.

Commissioner in Manhattan and Brenx. \$7.0 Commissioner in Brocklyn. 7.0 Commissioner in Queens and Richmond. 5.5 secretary (probably). 5.5 Each department, under the new charter, will have the requisite number of su

Neither the number of these officers at employes nor their salaries have been fixe by the charter, and all have to be det mined by the Municipal Connell. The machinery in Manhattan, outside the

intendents, Inspectors, engineers, cier

\$3,500 main office, probably will not be materially changed, except in the way of increase It is as follows:

BROOKLYN BOROUGH. DEPARTMENT OF BUILDINGS.

engineer, \$1,500; theatre hispector, clerk, \$1,500; theatre

Commissioner of Accounts Manhattan Borough.

Jury Commission. Manhattan and Bronx. menissioner of Jurors ...

Sealers of weights and measures and

spectors of weights and measures are a within the appointive power of the May These are feed offices and the number them is not specified. A stumbling block in the way of aspira for some of the city offices is the de as to whether or not the plums they

after are to remain under Civil Ser jurisdiction. The conduct of the Record is a glowing example. When Mr Strong had appointed the present lucu .\$4,259,230 (Well Service schedule, The question is whether these positions can be remfrom the Civil Service limitations wit the sauction of the State Civil Se. \$5,000 Board. The present occupants of the 5,500 tions do not know. The members of the 3,500 present Civil Service Board are no less

21,500 the dark. The total of patronage which may i go astray is not to be despised. The t 16,000 ries which attach to the publication ac 3,400 and they will necessarily be greater 1 6,000 after-are:

2,500 6,750 Supervisor expert 4,000 Pepaty and expert 4,000 Pepaty and accountant Stockeeper and messenger Total ..... Such in rough, and somewhat in little the burden of the patronage. The total

a tabulated statement of it all could nov made, would mount near to the mars .89,253,400 \$75,000,000.
